## Sorting and Disposal Method of Garbage and Recyclables

Category	Type	Disposal Method
Combustible Waste	(See the "Guidebook" for details) Kitchen waste, Paper scrap, Shoe/Slipper, Plastic bucket, etc.	*Place waste in separate bags (transparent or semitransparent) according to category. ● Sufficiently drain the water from kitchen waste. ● Tie the bag firmly before disposing to prevent the contents from leaking or escaping.
Recyclable A	Bottle	● Remove cap, etc., rinse, and place bottles in a transparent/ semitransparent bag before disposing.
	Paper	● Sort and dispose by type. (See the "Guidebook" for details.) ● Dispose of paper cup, photograph, etc. as "combustible waste."
	Paper Carton	● Rinse, cut open, dry, and bundle with string before disposing. ● Cartons with an aluminum coating inside should be disposed of as "combustible waste."
	Noncombustible Waste	● Place the items in a transparent/semitransparent bag before disposing. ● Wrap any broken glass or knife and shattered light bulb, etc. in paper and label it "ケケン" (kiken, or dangerous) before disposing. *Any item that measures more than 50cm on any one side is "oversized waste" and cannot be disposed of at the waste pickup area.
Recyclable B	Battery	● Place batteries in a transparent/semitransparent bag and write "カンデンチ" (kandenchu, or dry-cell battery) on the bag before disposing. *Drop off rechargeable batteries and button cells at collection boxes located at stores and elsewhere.
	Styrofoam	● Bundle before disposing to prevent wind blown litter. *Dispose of items with the ♻️ mark as "plastic container/packaging."
	Can	● Rinse juice can, etc. before disposing. ● If it is a spray can, use up the contents and let all the gas out. *Dispose of paint and oil cans as "noncombustible waste."
Recyclable C	PET Bottle	● Remove the label and cap, rinse, flatten, and place bottles in a transparent/semitransparent bag before disposing. *Dispose of the label and cap as "plastic container/packaging."
	Old Clothing	● Wash and dry the items and place them in a transparent/ semitransparent bag before disposing. *Dispose of heavily soiled items as well as cushion, slipper, etc. as "combustible waste."
Yard Waste	Plastic Container/Packaging	● Items with the ♻️ mark. ● Place all plastic containers and packaging in one bag before disposing. ● Clean the item before disposing. *If the item cannot be cleaned, then dispose of it as "combustible waste."
	Yard waste	● See the "Guidebook" for the disposal method.

Drop-Off	Used Cooking Oil	Tire and Battery	Oversized Waste	Items Recycled by Manufacturers, etc.	Disposal Method
					● Do not dispose at the waste pickup area. ● See the "Guidebook" for the disposal method.

Drop-Off	Used Cooking Oil	Tire and Battery	Oversized Waste	Items Recycled by Manufacturers, etc.	Disposal Method
					● Do not dispose at the waste pickup area. ● See the "Guidebook" for the disposal method.

# Garbage and Recyclable Collection Calendar

## From January to March, 2025

Dates for April 2025 onwards are scheduled to be released at the end of March.

4P  
4

### Garbage and Recyclable Disposal Rules

- Please take garbage and recyclable materials to the designated waste pickup area by 8:30 am on collection day.
- Waste cannot be disposed of in places other than the designated waste pickup area or on the night before collection day.
- Failure to dispose garbage and recyclable materials by the designated method is punishable by law.
- Businesses may not dispose of garbage at the garbage collection point.

### Sorting and Disposal Method of Garbage and Recyclables

Category	Type	Disposal Method
Combustible Waste	(See the "Guidebook" for details)	*Place waste in separate bags (transparent or semitransparent) according to category.
Bottle	Beer bottle/Juice bottle, etc.	● Remove cap, etc., rinse, and place bottles in a transparent/semitransparent bag before disposing.
Paper	Magazine Newspaper Cardboard Miscellaneous paper	● Sort and dispose by type. (See the "Guidebook" for details.) ● Dispose of paper cup, photograph, etc. as "combustible waste."
Paper Carton	Milk carton/Juice carton	● Rinse, cut open, dry, and bundle with string before disposing. ● Cartons with an aluminum coating inside should be disposed of as "combustible waste."
Noncombustible Waste	Clock Umbrella Kettle/Fry pan Lighter Cup/Glass fragment Fluorescent light/Light bulb	● Place the items in a transparent/semitransparent bag before disposing. ● Wrap any broken glass or knife and shattered light bulb, etc. in paper and label it "キケン" (kiken, or dangerous) before disposing. *Any item that measures more than 50cm on any one side is "oversized waste" and cannot be disposed of at the waste pickup area.
Battery	Battery (excluding button cell/rechargeable battery)	● Place batteries in a transparent/semitransparent bag and write "カデンチ" (kandenchī, or dry-cell battery) on the bag before disposing. *Drop off rechargeable batteries and button cells at collection boxes located at stores and elsewhere.
Styrofoam	Items without the ♻️ mark	● Bundle before disposing to prevent wind blown litter. *Dispose of items with the ♻️ mark as "plastic container/packaging."
Can	Tealeaf can/Seaweed can Spray can Aluminum can/Steel can	● Rinse juice can, etc. before disposing. ● If it is a spray can, use up the contents and let all the gas out. *Dispose of paint and oil cans as "noncombustible waste."
PET Bottle		● Remove the label and cap, rinse, flatten, and place bottles in a transparent/semitransparent bag before disposing. *Dispose of the label and cap as "plastic container/packaging."
Old Clothing	Towel/Shirt/Pants/Socks, etc.	● Wash and dry the items and place them in a transparent/semitransparent bag before disposing. *Dispose of heavily soiled items as well as cushion, slipper, etc. as "combustible waste."
Plastic Container/Packaging	Look for this mark ♻️	● Items with the ♻️ mark. ● Place all plastic containers and packaging in one bag before disposing. ● Clean the item before disposing. *If the item cannot be cleaned, then dispose of it as "combustible waste."
Yard Waste	Twigs/Mowed grass/Leaves	● See the "Guidebook" for the disposal method.

You can use the "Oikura" service, in collaboration with the town, to request free appraisals from multiple secondhand goods dealers. Both small and large goods are eligible, so before throwing your used items away, please consider selling them to "Oikura" to be reused.

Drop-Off	Used Cooking Oil	Tire and Battery	Oversized Waste	Items Recycled by Manufacturers, etc.	Disposal Method
					● Do not dispose at the waste pickup area. ● See the "Guidebook" for the disposal method.
